

The C71 is a compact and economical floor saw designed to cut both asphalt and concrete to a maximum depth of 140mm/5.5" when using a 400mm/16" diameter, making it ideal for patching, other road repair work and most floor sawing applications.

The C71 can also be fitted with standard 350mm/14" diameter blades that will produce a 105mm /4" depth of cut. Cutting on right hand side only

- Handles stay at the same height irrespective of cutting depth
- Depth indication gauge
- Blade shaft locking device for easy blade removal

Maximum Blade Capacity	400mm
Maximum Cutting Depth	140mm
Weight	92kg
